

Peter Kongstvedt, MD, FACP
Speaker Intro Bio

Dr. Peter Kongstvedt is an independent strategic advisor, and a Senior Health Policy Faculty member in the Department of Health Administration and Policy at George Mason University. He is a well known national authority on the health care industry with particular expertise in health insurance and managed health care, with over 30 years of industry experience as both a senior-level executive and with global consulting firms. Dr. Kongstvedt is the primary author and editor of two widely used textbooks: *The Essentials of Managed Health Care, Sixth Edition* (April 2012), and *Managed Care, What it Is and How it Works, Third Edition* (2008), and recently created an online multimedia training program on health insurance and managed care. Prior to passage of health reform, he consulted to and made several appearances on *The CBS Evening News*, and also appeared on NBC's *Today Show*.

He is principal of the P.R. Kongstvedt Company, LLC and Kongstvedt Learning Solutions, LLC in McLean, VA and may be reached through his website at www.Kongstvedt.com.
